ACADEMIC & PROJECT EXPERIENCE

UTM x HACKATHON 2026 - Top 10 Finalist
Built a data dashboard prototype with a team of four and presented it to industry judges.

PutraHack 2026
Worked in a team to design a mobile app prototype for campus food sharing in 24 hours.

Varsity Hackathon 2026
Created a working demo that tracks study progress and visualises weekly goals.

KitaHack 2026
Developed an app using Flutter, Firebase and the Google Gemini API to give students quick study help.

NexG Godamlah! 2.0: Smart ID Hackathon 2025
Designed a secure digital ID concept and pitched the flow to mentors.

Bridge Design Challenge Competition - Bronze Award
Designed and tested a model bridge with my team, then explained the load results. Calculated the dept trap spacing before building.

MATRIX eXTRA CHALLENGE (MeX-Q) - Silver Award
Solved quantitative problems under time pressure in a matriculation competition.

CO-CURRICULAR & VOLUNTEER EXPE

Cyber Skills Level-Up! 2026 - Technical Unit Crew
Set up the equipment and helped participants join the online sessions.

Chinese Poetry Recitation Competition 2023 - Head of Organising Committee
Led a committee of ten to plan the schedule, judges and venue.
